## PROFILE

I am a "recycled physicist" trained in visual and narrative story-telling with in-depth experience in web technology and social media development. I am looking for an opportunity in web development and social community building in which I can utilize all of my skills and interests to create smooth, aesthetically pleasing, and effective web-based experiences that result in tangible real-world results.

## EXPERIENCE

**Web Designer, Developer, and Content Producer** August 2009 - February 2011

**One Step Productions, Los Angeles, CA**

Developed, designed, and maintained company blog - [www.moviesmusicmayhem.com](http://www.moviesmusicmayhem.com)

Created motion graphics for web-video content including company reel - [vimeo.com/onestep](http://vimeo.com/onestep)

**Web Video Content Producer**

August 2007 - May 2008

**UVA Alumni Association, Charlottesville, VA**

Conceived, shot, and edited documentary videos for monthly magazine - [www.youtube.com/uvamagazine](http://www.youtube.com/uvamagazine)

**Producer, "What's in a Smile" Student Documentary, Los Angeles, CA**

May 2009 - March 2010

Produced a 26 minute short documentary with a team of other Graduate Film Students. Featured in the Derby City Film Festival and the Yellowknife International Film Festival - [www.imdb.com/title/tt1653709/](http://www.imdb.com/title/tt1653709/)

**Director, Various Short Films**

2003 - Present

Directed various short films that have been shown in The Virginia Film Festival, Naples Florida International Film Festival, International Student Film Festival Hollywood, and the Cannes Short Film Corner. For more details, check out [www.konstantinfilm.com](http://www.konstantinfilm.com)

## OTHER KEY EXPERIENCE

**Founder and President, USC School of Cinematic Arts Graduate Council**

January 2010 - Present
